

Skills Survey for Westminster’s Immigrant Support Program

Westminster’s Outreach & Society Commission is exploring what it would mean for Westminster to join with the Marin Sanctuary Congregational Network and the Marin Interfaith Council’s “Love Lives in Marin” initiative to provide legal and meaningful support to our immigrant neighbors. We invite the entire congregation to participate in this discussion. To get your feedback and determine the skills you might be able to contribute, please take a moment and **RESPOND TO THIS QUICK SURVEY**. Responses will be shared **only** with Westminster’s Outreach Commission.

None of these volunteer areas require ongoing regular time commitments. Needs ebb and flow. You may respond with availability as needs arise, and if & when you are called.
